

Intro to Infrastructure

Dates: Thursday 27 and Friday 28 July 2023
Brisbane Location: WSP Australia, Level 12, 900 Ann Street,
Fortitude Valley QLD 4006

A Big Hearted Skillsy Welcome!

We are so excited to have you for **Intro to Infrastructure** course in Brisbane.

Over two days, we invite you to immerse yourself in this interactive training.

Please arrive on day one at 9 am for a 9:30 am start. Day two begins at 9 am. Your day one facilitator will be Neil Scales OBE and day two will be Simon Leeper.

*Prior to the live event, please make sure to read the **Workbook** and be ready to jump into interactive sessions with your peers. You can download it for free from the link provided in the email.*

Industry collaboration is a big part of Skillsy! We encourage you to reach out to each other and connect with your peers during sessions. Please exchange contact details during the course – as you will be provided names and organisations only (for privacy reasons).

We will provide you with a notepad and pen to take notes and you will not require any electronic devices during the course.

We have sent you the link to the agenda. We are holding a **Skillsy Celebration with Industry Leaders** at the end of Day One (3:30–5:00 PM) and you are encouraged to come. We will be joined by a number of high-profile industry leaders who are excited to meet you!

Please let us know about any dietary requirements before Thursday, 20 July.

Contacts:

- J-za – j-za@skillsy.com.au – for dietary, workbook access, or any queries prior to the course
- Rachael – rachael@skillsy.com.au, 0418 359 707 – for on-the-day emergencies

We look forward to meeting you!

Rachael Rooney and the Skillsy team
