Intro to Infrastructure

Dates: Thursday 23 and Friday 24 Nov 2023
Melbourne Location: TBA

A Big Hearted Skillsy Welcome!

We are so excited to have you for our **Intro to Infrastructure** course in Melbourne.

Over two days, we invite you to immerse yourself in this interactive training.

Please arrive on Day One at 9 am for a 9:30 am start. Day Two begins at 9 am Your facilitator will be TBC.

*Prior to the live event, please make sure to read the **Workbook** and be ready to jump into interactive sessions with your peers. You can download it for free from the link provided in the email.*

Industry collaboration is a big part of Skillsy! We encourage you to reach out to each other and connect with your peers during sessions. Please exchange contact details during the course - as you will be provided names and organisations only (for privacy reasons).

We will provide you with a notepad and pen to take notes and you will not require any electronic devices during the course.

We have sent you the link to the agenda. We are holding a **Skillsy Celebration with Industry Leaders** at the end of Day One (3:30PM-5PM) and you are encouraged to come. We will be joined by a number of high-profile industry leaders who are excited to meet you!

Please let us know about any dietary requirements before Thursday, 9 November.
